

General rules of the race:

- 1) Each participant can start from any place in Berlin at any time.
- 2) The participant can freely choose their own route.
- 3) In each café, one must get a stamp or signature of the barista, confirming the visit.
- 4) In one, freely chosen café, the participant must buy a coffee and drink it on site (except for espresso and cortado).
- 5) The race ends at 4.00 p.m. in The Barn Roastery - Schönhauser Allee 8. Until that moment, we will accept cards with signatures collected during the race. After that time, we will no longer accept entries!
- 6) **The prize draw** will take place during a live broadcast on Instagram of **@coffee_race_europe** at **5.00 p.m.** Prizes can be collected in person, within one week, during opening hours of the café.

The event is organized for adults.

We wish to offer everyone equal chance to win a prize. We will not measure time and we know that it will not be an easy task to visit all the cafés. That considered, we have decided to award the following number of points:

- 1) for 6 cafés visited, the participant receives 1 point,
- 2) for 10 cafés – 2 points,
- 3) for all participating cafés – 3 points.

An additional 1 point can be received for marking all the visited cafés on Instagram (stories) – at least 6 cafés (6 Stories from 6 different locations / Tag: the Cafe you visited and @coffee_rece_europe). The number of points corresponds to the number of tickets, which increase the chance to win a prize.

Note: one participant can win no more than two prizes!

Note2: If tickets are completed by you in a manner which does not allow to decipher the winner during the prize draw, they shall not be considered and shall be rejected.

So write in **CAPITAL LETTERS**.

For those who visit all the Cafés from our list, we will have one more prize drawing with the Comandante Grinder and Comandante accessories. If you still hesitate about what to do, we will tell yo that main prize is Comandante C40 MK4 Nitro Blade "Sunset".
